

About the Paycheck Protection Program

The Paycheck Protection Program is designed to keep your workers on payroll and your doors open.

If employees are kept on payroll for eight weeks, the SBA will forgive the portion of your loan used for payroll, rent, mortgage interest or utilities. Loans can be up to \$10 million and up to 100 percent forgivable.

Application Process

- Confirm Eligibility. Businesses including eligible nonprofits, Veterans organizations, Tribal concerns, sole proprietorships, self-employed individuals, and independent contractors described in the Small Business Act with 500 or fewer employees may apply. Eligibility should be confirmed with your counsel or board. At this time, we cannot provide financing to groups engaged in real estate development.
- Fill out the LISC Survey. Fill out LISC's <u>Survey Monkey</u>. If eligible, you will be assigned a LISC Relationship Manager who will reach out on next steps.
- Receive an Application Link. If eligible, you will receive a secure link to submit an application through BDO Connect and be assigned a LISC Relationship Manager. BDO Connect is where you will input appropriate documentation for your request.
- Prepare your Loan Request. Your LISC Relationship Manager will provide TA to help size your request for eligible expenses including but not limited to payroll, rent, mortgage interest or utilities. Up to 100 percent of the loan is forgivable if loan proceeds are used for eligible expenses.
- Submit your Application. Your Relationship Manager will do a final review before submitting to immito to perform a final credit check. You will receive notification of loan status as soon as it is available.
- Submit Certification. Once approved, you may submit an expense certification to validate loan proceeds were used for eligible expenses as soon as eight weeks after loan approval. Once submitted, immito will certify your compliance with the SBA and the portion of loan that meets eligibility requirements will be forgiven. If a portion of the loan is ineligible, it will convert to a loan with a 2-year maturity.
